SS- Economics	As per the ongoing chapter 'Poverty as a challenge' students came to know about the poverty line, poverty estimate, inter state disparities and global disparities.
Chemistry	Dalton's atomic theory and valency were discussed from the chapter Atoms and Molecules .
Computer	How to create spreadsheet and how to edit data in it using function and formulas explained to the students.
Maths	Continuing with the chapter Triangles . A new chapter Heron's Formula was introduced in the class.
Hindi	विद्यार्थियों स्पर्श पाठ्य पुस्तक के पाठ-4 " वैज्ञानिक चेतना के वाहक- चन्द्रशेखर वेंकट रामन्" को पढ़ा एवं समझा।

Art & Craft	Wall hanging drawings done by them.
-------------	-------------------------------------

Grade 10

English	Students were introduced with a new chapter ' Coorg '. Reading and explanation of the same were done.
Maths	Started a new chapter " Circle " with an activity of paper folding and taught them all concepts of tangents.
Biology	The types of plant movements and the role of plant hormones were discussed from the chapter Control and coordination .
Physics	Continuing with the chapter, ' Electricity ', discussion about electric current, potential and potential difference, conductors, insulators, components and symbols of basic electric circuits were done.
Chemistry	Chemical properties of Acids and Bases were discussed from the chapter Acids, Bases and Salts.
SS	Discussion on HYE paper and paper showing was done.
Computer	Students appeared for HYE practical examination .
PE	Students played football and basketball during PE class.

Grade 11- Science

Physics	A new chapter Laws of Motion was introduced in the class.
Chemistry	Started a new chapter General Organic Chemistry wherein the topics tetravalency of Carbon and IUPAC nomenclature was discussed.
Chemistry practical	Students performed the experiments related to salt analysis.

Biology	The structure of different Micro-Biomolecules (Aminoacids, Lipids, Carbohydrates) were explained from the chapter Biomolecules
Mathematics	Continuing with the chapter " Complex Number ". Students appeared for HYE Practical exams
Biology- Lab	Students appeared for HYE practical examination.
PE	Students played basketball and Volleyball during PE class.
computer	Students appeared for HYE practical examination.
English	Job Application and Cover letter template was given and questions from Sample paper were solved.

Grade 11- Commerce

Business Studies	Introduction of the chapter - Small business was explained.
Economics	TEEN-NOVATION presentations of remaining groups were done.
Accountancy	Introduced other subsidiary books to students and solved the sums on Purchase Book and Sales Book.
PE	Students played basketball and Volleyball during PE class
computer	Students appeared for HYE practical examination.
English	Job Application and Cover letter template was given and questions from Sample paper were solved.

Grade 11- Humanities

Economics	TEEN-NOVATION presentations of remaining groups were done.
-----------	--

Psychology	Chapter 7 - Thinking: The topics - Nature of thinking, Mental images, concepts and problem solving were covered in class.
PE	Students played basketball and Volleyball during PE class
computer	Students appeared for HYE practical examination.
English	Job Application and Cover letter template was given and questions from Sample paper were solved.
History	Ch:4 The Three Orders was introduced and the three social classes were discussed during Medical Era of European history.

Grade 12- Science

Physics	New Chapter Magnetism and Matter was introduced in the class.
Chemistry	Completed chapter Biomolecules.
Chemistry Practical	Students performed experiments related to salt analysis.
Biology	The nature of genetic codons and types of RNAs' were discussed from the chapter Molecular basis of Inheritance.
Mathematics	Students appeared for HYE practical examination. Continuing with the chapter " Linear Differential Equation ".
Biology- Lab	Students appeared for HYE practical examination.
computer	Binary file using its library and what is csv file how to open csv file with read and write mode explained to the students.
PE	Students played basketball and Volleyball during PE class
English	Lesson: Poets & Pancakes was introduced and videos of 1940-50s were shown to make the students understand how the film studios used to function, direct songs and the make-up details (pancakes) was highlighted in the era of editing studio songs.

Grade 12- Commerce

Economics	TEEN-NOVATION presentations of remaining groups were done. In the ongoing chapter ' Determination of income and employment ' types of investment was discussed.
Accountancy	Completed the chapter Admission of Partner by solving comprehensive sums.
Business Studies	Introduced the Marketing mix and discussed the 4 P's of marketing.
PE	Students played basketball and Volleyball during PE class
English	Lesson: Poets & Pancakes was introduced and videos of 1940-50s were shown to make the students understand how the film studios used to function, direct songs and the make-up details (pancakes) was highlighted in the era of editing studio songs.

Grade 12- Humanities

Economics	TEEN-NOVATION presentations of remaining groups were done. In the ongoing chapter ' Determination of income and employment ' types of investment was discussed.
English	Lesson: Poets & Pancakes was introduced and videos of 1940-50s were shown to make the students understand how the film studios used to function, direct songs and the make-up details (pancakes) was highlighted in the era of editing studio songs.
Psychology	Chapter 5- Therapeutic Approaches: The topics - What is psychotherapy, nature and parameters of psychotherapy, Behaviour therapy and different techniques of behaviour therapy were covered in class.
History	Ch7: An Imperial Capital: Vijayanagara was introduced and the sub-topics on Hampi and its Architecture were discussed.
PE	Students played basketball and Volleyball during PE class
